

What happens to my comment / complaint?

Lisburn & Castlereagh City Council aims to resolve complaints as efficiently and effectively as possible. On receipt of your complaint it will be directed to the appropriate department. You will be advised within five working days that your complaint has been received, how it is progressing and if it has been resolved. If the matter cannot be resolved within the five working days you will be advised of this and you will be given a target date by which you will receive a full response.
