

WELCOME TO THE 2019 SUMMER SWIM CAMP

INFORMATION

- On arrival please proceed to the Village Changing area. Please ensure you have 20p for a locker.
- Make sure you have a quick shower before entering the poolside.
- Outdoor footwear must not be worn on the poolside for hygiene reasons.
- A Swimming Teacher will meet your child at the poolside. Please send children through middle walkway beside shower cubicles on left hand side.
- Parents/guardians should spectate from the gallery and must be available to the Swimming Teacher during the lesson in case their child needs assistance.
- All jewellery must be removed prior to the lesson. Earrings must also be removed.
- Any children with long hair should tie it back or preferably wear a swim cap.
- We would recommend children to wear swimming goggles during the lesson. Face masks are not permitted.
- Please encourage your child to visit the toilet prior to the lesson.
- **Parents must complete a Health form at the time of enrolment.**
- Baby Bubble classes: Ensure that your child is wearing a suitable waterproof nappy.
- You should not attend swimming if: you have a sore stomach, Diarrhoea or have just recovered from diarrhoea, a throat infection, a cold, an ear infection or an infectious skin condition.
- Please encourage your children to listen to the Swimming Teacher. All children will be encouraged to put their face in the water. This is one of the first steps in the learn to swim scheme.
- **The Fees for Swim Camp courses are non-refundable.**
- **FINALLY, HAVE FUN!**

If you have any queries or concerns then please speak to the Swimming Teachers.
